SAMBICA

PLANNED GIVING OPTIONS

Set up GOD's camp to thrive by joining those who have already included SAMBICA in their estate planning. Below are other ways to give with impact!

Appreciated Securities

You may have money in taxable accounts that has produced some significant unrealized capital gains, eventually resulting in a hefty tax bill. By donating appreciated securities that you've held for more than a year, you can reduce or eliminate capital gains taxes and claim the value of the donation as a charitable deduction! You can then use the cash you would have otherwise given to reset your basis and rebuild your portfolio.

Beneficiary Designations

It is very simple to name SAMBICA as a beneficiary. Start by requesting a change-of-beneficiary form from your policy administrator or download the form from your provider's website. Make your desired changes and return the form to establish your gift. Consider IRA's and retirement plans, Life Insurance policies, or annuities. A donor advised fund is also a great way to establish beneficiary instructions for already given tithes and offerings.

Charitable Gift Annuity

With a charitable gift annuity, you agree to make a gift to SAMBICA and we, in return, agree to pay you (and someone else, if you choose) a fixed amount each year for the rest of your life. The balance is used to continue the mission of the camp.

If you fund your gift annuity with cash or appreciated property, you qualify for a federal income tax deduction if you itemize. In addition, you can minimize capital gains taxes when you fund your gift with appreciated property.

IRA Charitable Distributions
If you are 70½ and older, you can make a one-time election from an IRA of up to $50,000 to fund a gift annuity. While this type of gift does not qualify for an income tax deduction, it does escape income tax liability on the transfer and count toward all or part of your required minimum distributions.

Endowment Gifts

An endowment gift to SAMBICA today provides a brighter light for the next 100 years. When you make a donation to the endowment fund, you give a gift with both immediate and long-term benefits.

Endowment donations are invested. A portion of the annual income from the investment is used to address immediate needs at SAMBICA. The remaining funds are reinvested to ensure indefinite support.

Memorial/Tribute Gifts

If you have a loved one who has been impacted by SAMBICA, establishing a memorial or tribute gift is a meaningful way to honor them or celebrate a special occasion, such as a spiritual birthday, while supporting the camp mission. Your memorial or tribute gift will extend the legacy of your loved one and will make a huge difference in eternity.

Sale of Real Estate or Business

Gifting to SAMBICA before the sale of real estate or a business will help avoid capital gains and maximize giving.

Wills and Living Trusts

If you would like to leave money to SAMBICA in your will with one simple sentence you can complete your gift. This type of donation to SAMBICA in your will or living trust helps ensure that the camp continues its mission for years to come. A sentence examples is given below:

"I give to Sammamish Bible Camp in Bellevue, Washington (SAMBICA) _____ Dollars ($_____)."

This could also be (_____%) of the residue of my estate or a specific asset for (purpose) (ie scholarships, discipleship program).

Charitable Remainder Trust
If you have built a sizable estate and are also looking for ways to receive reliable payments, consider this idea. This type of trust provides you or other named individuals income each year for life or a period not exceeding 20 years from assets you give to the trust you create. At the end of the trust term, the balance in the trust goes to SAMBICA for your intended gift purpose.

Charitable Lead Trust
If you want to make an impact now and also provide for your family later, you can transfer cash or other assets to a trust that makes payments to SAMBICA for a period of time. When the term is up, the remaining trust passes to your family or other beneficiaries you select.
